Grievances by employees, students or other persons alleging illegal discrimination by this district or any of its employees in any of the district's public facilities, programs or activities based on race, sex, national origin, color, age (persons forty (40) years of age or older), religion, or disability may be filed as follows:

Filing a Civil Rights Grievance Complaint

A complaint should be filed in writing by the complainant, by the complainant's representative, parent or guardian or both. Any verbal complaints received by this district will be recorded by the district in written form. The complaint must be filed with the office of the superintendent within one hundred eighty (180) days of the alleged discriminatory action. The complaint should set forth the date, place, and nature of the discriminatory action and specify the remedy sought by the complainant.

Investigation and Report

The school district will contact the complainant in writing within ten (10) working days of receipt of the complaint to let him or her know the complaint was received and what action the district has taken or will take in an attempt to resolve the complaint.

Within ninety (90) calendar days after receiving the complaint, the superintendent or designee must investigate the incident and issue a written finding of whether or not discrimination was found. The investigation will include, but not be limited to, interviews with the complainant and school district personnel.

If the complainant does not agree with the findings of the superintendent or designee, he or she will have thirty (30) days to provide additional information to the designee of the superintendent to facilitate further review of the complaint.

The complainant will be notified of his or her right to appeal the findings of the district to the proper state or federal compliance agency. A complainant may at any time file a complaint directly with other agencies listed on page two of this policy.

Remedy if Discrimination is Found

If the superintendent or designee finds that the alleged discrimination occurred, the superintendent will take immediate steps to remedy such discrimination. The superintendent will provide the complainant with a written report of the findings and proposed remedy, if any. The superintendent will report the investigation findings and proposed remedy, if any, to the board at the next special or regular meeting.
