Student Vehicle Parking

Students are permitted to park on school premises as a matter of privilege, not of right. Patrols and inspections may be conducted without notice, without student consent, and without a search warrant. Students are required to unlock vehicles for reasonable inspection when required to do so by an administrator. Failure to cooperate may result in the loss of permission to drive a vehicle onto campus, in-school suspension or short-term suspension from school. In cases involving drugs, alcohol or firearms, the local sheriff or police may be called. All school rules and policies apply to student use of the parking lot.
