School-Related Foreign Travel By Students or Extended Field Trips (Overnight or Longer)

School-related foreign trips are allowed by the West Bonner County School District when the experiences are an integral part of the school curriculum and contribute to the District's desired educational goals. Field trips are intended to allow students experiences that provide them with insight, information or knowledge that cannot be adequately developed through regular classroom experience.

When contemplating approval of a trip, the Superintendent shall take into account any foreign travel warnings or cautions of the U.S. Department of State. The Superintendent shall seek advice concerning foreign travel from the District's legal counsel and insurance carrier.

School-related foreign travel supplements regular instructional programs and affords students opportunities for enrichment. However, participation in school-related foreign travel is a privilege, not a right. As representatives of their school and District, students participating in such activities are expected to meet high standards of behavior.

Trip Plan Submission/Proposal

All student activities involving travel shall be authorized by the Superintendent or the Superintendent's designee. Each trip's authorization shall be based on the written rationale of the travel's educational value as well as the safety and welfare of the students involved.

Requests for trips must be submitted to the Superintendent no later than eight (8) weeks in advance of the trip.

Trips should be scheduled as much as possible during non-school hours/days such as spring or summer break so that absences from other instructional programs is kept to a minimum.

The teacher(s) responsible for the trip shall submit a list of participants to the school nurse so that provisions for any special medical problems and/or precautions can be provided.

Advertising, including the distribution of materials, may be allowed during the school day with the approval of the principal.

Private groups and organizations may not use the District in any way to promote their activities.

The Superintendent will develop procedures for trips, including the approval process, procedures to be used in case of accident or illness and student conduct violations.

The trip proposal must be in writing and contain the following elements:

1. Identify the purpose of the trip and an outline of anticipated educational experiences and/or course of study to be followed.
2. Identify the names of students and chaperones attending the trip.
3. Identify and plan for any special medical needs of student and chaperones attending the trip.
4. Identify adequate liability insurance to protect the District, board members, chaperones, teachers and students.
5. Submit an itemized statement of costs, including transportation, meals and accommodations.
6. Submit an itemized statement of costs as appropriate to the school-sponsored trip, such as passport and visa expenses, costs of a personal nature and optional trip insurance.
7. Submit to Superintendent the plan for raising the necessary funds.

The Superintendent may enforce restrictions regarding the date, length of time and the chaperone/student ratio as a condition of approval.

Students participating in the trip during school hours are permitted and expected to make up any school work missed. The student's absence shall be recorded as "excused." The total number of school days missed due to the trip must be included in the written proposal.

A plan must be developed for the administration of medication for any student requiring such assistance.

The proposal must include the names and numbers of chaperones, including both male and female chaperones if the proposal is for a mixed group of students.

In developing the proposal for the extended trip, the trip organizer will perform the following duties:

Chaperones shall be selected by the trip teacher/advisor. Chaperones are under the supervision of the trip teacher/advisor. Chaperones shall be over the age of 21.

A student will be permitted to stay in the same motel/hotel room with a chaperone only if the chaperone is the student's parent or legal guardian. Students whose parents or legal guardians are not serving as chaperones will share rooms with same-sex students only.

The certified staff member serving as the trip organizer will carry a roster of students who are on the trip along with emergency information on each student.

Children who are not a part of the group participating in the trip may not accompany parents when the parents serve as chaperones.
